

Trinity County Appraisal District 2018 Annual Report

Introduction

The Trinity County Appraisal District is a political subdivision of the State of Texas. The Texas Constitution, Texas Property Tax Code and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

Mission

The mission of the Trinity County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of Trinity County for ad valorem tax purposes. The district must make sure that each taxpayer is given the same consideration, information and assistance as the next. This is achieved by administering the laws of the Texas property tax system and by operating under the standards of

- The Texas Comptroller's Property Tax Assistance Division (PTAD);
- The International Association of Assessing Officers (IAAO); and
- The Uniform Standards of Professional Appraisal Practice (USPAP).

Governance

The Trinity County Appraisal District is governed by a five-member board of directors selected by the county's participating taxing jurisdictions, along with the County Tax Assessor/Collector as a non-voting member. The Board's primary responsibilities are to:

- Establish an appraisal districts office;
- Adopt an operating budget;
- Contract for necessary services;
- Hire a chief appraiser;
- Appoint an Appraisal Review Board;
- Provide advice and consent to the chief appraiser concerning the appointment of an Agricultural Advisory Board;
- Make general policies on the appraisal district operations; and
- Biannually develop a written plan for the periodic appraisal of all property within the appraisal district's boundaries.

To be eligible to serve on the board of directors, a person must have resided within the boundaries of Trinity County for at least two years prior to being selected. Directors can serve without term limitations.

The Chief Appraiser is the chief administrator of the appraisal district and appointed by the board of directors. The chief appraiser must be licensed as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation (TDLR).

Members of the Appraisal Review Board (ARB) are appointed by the board of directors and serve two-year staggered terms. ARB members are limited to three consecutive two-year terms. The ARB settles value disputes between taxpayers and the chief appraiser. In 2018, Trinity County Appraisal District mailed 8,550 notices of appraised value and the ARB heard 552 formal appeals.

The Agricultural Advisory Board is appointed by the board of directors at the recommendation of the chief appraiser and serves to advise the chief appraiser in determining typical practices and standards for agricultural activities in Trinity County.

For school tax purposes, the over 65, disability, surviving spouse and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead of existing improvements. The tax ceilings are adjusted if new improvements are added to the existing homestead.

In 2006, the City and Trinity and Trinity County granted a tax ceiling for persons over-65 or with disabilities. The City of Groveton granted a tax ceiling for persons over-65.

Homeowners qualifying for the residential homestead exemption receive a **homestead cap** that limits the increase of **taxable value** on the homestead to ten percent per year.

Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage of disability rating determined by the Department of Veteran’s Affairs. Current exemptions based on these ratings are:

Percentage Disability	Exemption Amount
10-29%	\$5,000
30-49%	\$7,500
